Please advise all medical providers who are treating you for this injury of the newly accepted condition(s) with ICD-9 code(s). Accurate coding facilitates timely bill processing.

If the current accepted condition(s) need to be revised or additional complications related to the current accepted condition(s) need to be added, your physician should explain in writing, with medical rationale, the relationship between any additional condition and the work injury or the current accepted condition(s) noted above.

As a reminder, OWCP must approve in advance any surgery or procedure other than emergency surgery (that is, a procedure which must be performed right away to preserve life or the function of an organ or body part). You (or your medical provider) should contact OWCP for authorization at least 30 days before the intended date of the procedure. We will advise you of the information needed to determine whether OWCP can authorize the requested procedure. Medical providers should contact our medical authorization and bill processing contractor (ACS) for all authorizations and billing questions. Automated information is available 24 hours per day at 1-866-335-8319 or online at <http://owcp.dol.acs-inc.com>. The medical authorization fax line is 1-800-215-4901. If you, your physician, or other medical providers require direct contact with a customer service representative, you may call 1-850-558-1818, Monday – Friday, 8am – 8pm EST (this is a toll call).

If you have any questions regarding your claim, you may contact the Office at the phone number and address listed above. Note that you can also view your case and compensation claim status, billing updates including reimbursements, coverage limitations, and other information on line via the

If you have a disability (a substantially limiting physical or mental impairment), please contact our office/claims examiner for information about the kinds of help available, such as communication assistance (alternate formats or sign language interpretation), accommodations and modifications.
