Dear _____ :

Under the schedule award provisions of the Federal Employees' Compensation Act (FECA) at 5 U.S.C. 8107, the Office of Workers' Compensation Programs makes the following:

AWARD OF COMPENSATION

1. Degree and Nature of Permanent Impairment: 9% permanent partial impairment of the right upper extremity.
2. Date of Maximum Medical Improvement: 07/17/2012
3. Period of Award: 07/17/2012 to 01/29/2013
4. Number of Weeks of Compensation: 28.08
5. Weekly Pay: \$1,187.69 X Compensation Rate: 75 % = \$890.77
6. Effective Date of Pay Rate: 11/19/2008
7. After Cost-of-Living Adjustments, Your Weekly Compensation is: \$966.75 from 07/17/2012 to 01/29/2013
8. Your Payment and the Period Covered: \$27,146.34 from 07/17/2012 to 01/29/2013.

Payment of your award ends when you have been paid for the last day shown in item 3 above.

Section 8107 of the FECA and its implementing regulations set forth the number of weeks of compensation to be paid for the permanent loss or loss of use of specified members, functions and organs of the body known as permanent impairment. 20 C.F.R. 10.404; see also 20 C.F.R. Part 10. The commencement period of the schedule award is usually the date of maximum medical improvement, the date that the physical condition of the injured member has stabilized and is not expected to improve further.

The FECA, however, does not in most instances specify the manner by which the percentage loss of a member, function or organ shall be determined. To ensure consistent results and equal justice under the law, good administrative practice requires the use of uniform standards applicable to all claimants. The implementing regulations have adopted the American Medical Association, *Guides to the Evaluation of Permanent Impairment*, as the appropriate standard for evaluating schedule losses. Currently, schedule awards are calculated using the Sixth Edition of the AMA *Guides*.

If you have a disability (a substantially limiting physical or mental impairment), please contact our office/claims examiner for information about the kinds of help available, such as communication assistance (alternate formats or sign language interpretation), accommodations and modifications.
