Date of Injury:  
Employee:

Dear Ms

Under the schedule award provisions of the Federal Employees' Compensation Act (FECA) at 5 U S C 8107, the Office of Workers' Compensation Programs makes the following:

**AWARD OF COMPENSATION**

1. Degree and Nature of Permanent Impairment: 10% right leg
2. Date of Maximum Medical Improvement: 08/08/2012
3. Period of Award: 09/21/2012 to 04/10/2013 (fraction of a day)
4. Number of Weeks of Compensation: 28 8
5. Weekly Pay: \$1021.19 X Compensation Rate: 66 2/3 % = \$680.79
6. Effective Date of Pay Rate: 01/13/2010
7. After Cost-of-Living Adjustments, Your Weekly Compensation is: \$714.50
8. Your First Payment and the Period Covered: \$8,778.14 from 09/21/2012 to 12/15/2012
9. Your Continuing Payment each Four Weeks: \$2,858.00

Payment of your award ends when you have been paid for the last day shown in item 3 above.

Section 8107 of the FECA and its implementing regulations set forth the number of weeks of compensation to be paid for the permanent loss or loss of use of specified members, functions and organs of the body known as permanent impairment 20 C.F.R. 10.404; see also 20 C.F.R. Part 10. The commencement period of the schedule award is usually the date of maximum medical improvement, the date that the physical condition of the injured member has stabilized and is not expected to improve further.

The FECA, however, does not in most instances specify the manner by which the percentage loss of a member, function or organ shall be determined. To ensure consistent results and equal justice under the law, good administrative practice requires the use of uniform standards applicable to all claimants. The implementing regulations have adopted the American Medical Association, *Guides to the Evaluation of Permanent Impairment*, as the appropriate standard for evaluating schedule losses. Currently, schedule awards are calculated using the Sixth Edition of the *AMA Guides*.

*If you have a disability (a substantially limiting physical or mental impairment), please contact our office/claims examiner for information about the kinds of help available, such as communication assistance (alternate formats or sign language interpretation), accommodations and modifications.*

A schedule award is payable consecutively but not concurrently with an award for wage loss for the same injury. Therefore, the starting date of the schedule award has been adjusted to 09/21/2012 because you received compensation for wage loss through 09/20/2012.

The percentage of permanent impairment noted above was based on the medical findings and report of Dr. [redacted] dated 09/20/2012 and the report of the District Medical Advisor (DMA) dated 10/03/2012. Copies of these reports are provided for your reference.

The DMA applied the *Guides* according to the medical findings provided by your treating physician and determined the date of maximum medical improvement. The DMA's impairment percentage of 10% your right leg differs from the percentage provided by your treating physician. The findings of the DMA were used instead of those provided by your treating physician because Dr. [redacted] notes a 0% due to this knee injury, but does not provide an explanation as to how he derived the impairment rating. In reviewing the evidence of record, the DMA has determined that your physician incorrectly applied the *Guides* to the findings on examination. A copy of the DMA's calculation, which explains this discrepancy, is enclosed. The calculation is proper and in accordance with the *Guides*. The date of maximum medical improvement was determined by the DMA based on the medical evidence of record.

The weight of the medical evidence regarding the percentage of impairment is being given to the DMA, because the DMA correctly applied the *Guides* and supported his opinion with medical rationale along with a worksheet noting his calculation in regards to the examination findings. He provided a rating according to the D.B.I. (diagnosis-based impairment) method, per the Sixth Edition criteria. Furthermore, the DMA provided a higher rating, so the use of the DMA's rating is advantageous to you.

### IMPORTANT INFORMATION

Please read the following information carefully. Keep this award letter so you can refer to it when necessary. If you have questions concerning this award, write to the address shown in the letterhead.

- 1. HOW COMPENSATION IS PAID** - Direct deposit is the fastest and most secure way to receive your award payments. Your first payment will be issued within 30 days. If further payments are due, they will be made every four weeks until the expiration of the award.
- 2. LUMP SUM PAYMENTS** - If you are currently working, or if you are receiving retirement benefits from the Office of Personnel Management, you may be entitled to a "lump-sum" payment of your schedule award. Please contact the District Office at the address listed on the first page of this letter and specifically request information concerning this option.
- 3. CHANGE OF ADDRESS** - Notify this office immediately of any change of address either for correspondence or for direct deposit. Notification must be in writing, signed by you, to the address shown on the first page of this letter. Include your file number, your old address, and your new address.

CHANGE IN STATUS OF DEPENDENTS** - If your award is paid at the augmented rate of 3/4 because you have one or more dependents, you are required to provide written notification immediately of any change in status of your dependents, to the address on the first page of this letter. The notice must be signed by you and include your file number, the name of the dependent whose

status changed, the effective date of the change, and the nature of the change in status. If you originally claimed only one dependent, and there is a change in the status of your sole dependent, do not cash any checks you receive after the change in status of that dependent. Return the checks promptly for adjustment by this Office

**5. RETURN TO WORK** - You may work or receive retirement benefits from the Office of Personnel Management (OPM) during the period of this award without any effect on your schedule award payments.

**6. SOCIAL SECURITY DISABILITY BENEFITS** - Please contact your local Social Security Office regarding this award if you are receiving or have filed for Social Security Disability Benefits.

**7. VA BENEFITS** - You are required to notify this office if you have received, or are receiving any VA benefits for the same part of the body.

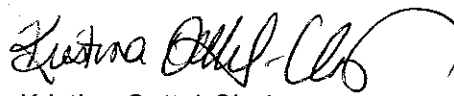

**8. EXPIRATION OF AWARD** - After the ending date of this award noted in item 3, your entitlement to compensation will be based solely on disability for work resulting from the accepted injury. You may claim continuing compensation by submitting evidence showing that the accepted injury prevents you from performing the kind of work you were doing when injured and from earning comparable wages. Please note that compensation for disability cannot be paid for any period during which you receive retirement benefits from OPM

For example, we will provide you with copies of documents in alternate formats, communication services such as sign language interpretation, or other kinds of adjustments or changes to account for the limitations of your disability. Please contact the appropriate office below to ask about this assistance

**1. HEARING:** If your injury occurred on or after July 4, 1966, and you have not requested reconsideration, as described below, you may request a Hearing. **2. RECONSIDERATION:** If you have additional evidence or legal argument that you believe will establish your claim, you may request, in writing, that OWCP reconsider this decision. **The request must be signed, dated and received within one calendar year of the date of the decision.** It must clearly state the grounds upon which reconsideration is being requested, and be accompanied by relevant evidence not previously submitted, such as medical reports, sworn statements, or a legal argument not previously made, which apply directly to the issue addressed by this decision. A person other than those who made this decision will reconsider your case. (20 C.F.R. 10.605-610)

**3. REVIEW BY THE EMPLOYEES' COMPENSATION APPEALS BOARD (ECAB):** If you believe that all available evidence that would establish your claim has already been submitted, you have the right to request review by the ECAB (20 C.F.R. 10.625). The ECAB will review only the evidence received prior to the date of this decision (20 C.F.R. Part 501). **Request for review by the ECAB must be made within 180 days from the date of this decision.** More information on the new Rules is available at [www.dol.gov/ecab](http://www.dol.gov/ecab)
