Date of Injury:  
Employee:

Dear Ms. \_\_\_\_\_ :

Under the schedule award provisions of the Federal Employees' Compensation Act (FECA) at 5 U.S.C 8107, the Office of Workers' Compensation Programs makes the following:

**AWARD OF COMPENSATION**

1. Degree and Nature of Permanent Impairment: 9% right arm
2. Date of Maximum Medical Improvement: 09/18/2014
3. Period of Award: 09/18/2014 to 04/02/2015
4. Number of Weeks of Compensation: 28.08
5. Weekly Pay: \$1020.42 X Compensation Rate: 75 % = \$765.31
6. Effective Date of Pay Rate: 05/30/2013
7. After Cost-of-Living Adjustments, Your Weekly Compensation is: \$765.31
8. Your Payment and the Period Covered: \$327.99 09/18/2014-09/20/2014
9. Your Continuing Payment each Four Weeks: \$3061.26

Payment of your award ends when you have been paid for the last day shown in item 3 above.

Section 8107 of the Federal Employees' Compensation Act (FECA) and its implementing regulations (20 CFR 10.404; see also 20 CFR Part 10) set forth the number of weeks of compensation to be paid for the permanent loss or loss of use of specified members, functions and organs of the body known as permanent impairment. The commencement period of the award is usually the date of maximum medical improvement, the date that the physical condition of the injured member has stabilized and is not expected to improve further.

The FECA, however, does not in most instances specify the manner by which the percentage loss of a member, function or organ shall be determined. To ensure consistent results and equal justice under the law, good administrative practice requires the use of uniform standards applicable to all claimants. The implementing regulations have adopted the American Medical Association, *Guides to the Evaluation of Permanent Impairment*, as the appropriate standard for evaluating schedule losses. Currently, schedule awards are calculated using the Sixth Edition of the AMA *Guides*.

The percentage of permanent impairment noted above was based on the medical findings and report of Dr. \_\_\_\_\_ dated \_\_\_\_\_ and the report of the District Medical Advisor (DMA) dated \_\_\_\_\_. Copies of these reports are provided for your reference.

The treating physician provided an impairment rating of 8% of the right arm in his report dated \_\_\_\_\_. The DMA reviewed the medical evidence in file including the treating physician's report. In a report dated \_\_\_\_\_, the DMA concluded the percentage provided by the treating physician was unacceptable because he did not provide the requirements in Section 15-7, page 459 – 478 of the Guides. The DMA concluded you needed to be scheduled for a second opinion medical examination to resolve the question of entitlement to a schedule award for residuals of your work-related injury.

Dr. \_\_\_\_\_ performed a second opinion medical examination on \_\_\_\_\_. In a report dated \_\_\_\_\_, the second opinion specialist concluded you have a 9% impairment rating of the right arm. The second opinion specialist took a thorough history, reviewed your medical records, and conducted a physical examination. Range of motion, sensation, strength, weakness, ambulation, and tenderness were reviewed and discussed in the report and the Tables, Charts, Modifiers and Grids used to compute the rating were cited.

Dr. \_\_\_\_\_ used Table 15-32 of the Guides, and provided a well-reasoned discussion explaining his rationale and calculation arriving at 9% impairment rating of the right arm due to residuals of right wrist fracture. In support of his position Dr. \_\_\_\_\_ included QuickDash scores and ROM measurements.

The DMA reviewed the second opinion specialist's report and provided a report dated \_\_\_\_\_. The DMA concurred with the assessment and rating provided excluding the date of maximum medical improvement (MMI) identified as \_\_\_\_\_. The DMA determined that date was unsupported by history and examination findings. The date of MMI was determined by the DMA to be \_\_\_\_\_, the date of the second opinion examination, because examination findings on that date were used to calculate the percentage of permanent impairment. The weight of medical opinion is given to the DMA regarding the date of MMI since he provided a suitable explanation for the use of \_\_\_\_\_. If you disagree with this decision, you should carefully review the attached appeal rights, and pursue whichever avenue is appropriate to your situation.

Sincerely,

Lavada Box

## FEDERAL EMPLOYEES' COMPENSATION ACT APPEAL RIGHTS

If you disagree with the attached decision, you have the right to request an appeal. If you wish to request an appeal, you should review these appeal rights carefully and decide which appeal to request. There are 3 different types of appeal as outlined below. **YOU MAY ONLY REQUEST ONE TYPE OF APPEAL AT THIS TIME.**

Place an "X" on the attached form indicating which appeal you are requesting. Complete the information requested at the bottom of the form. Place the form on top of any material you are submitting. Then mail the form with attachments to the address listed for the type of appeal that you select. Always write the type of appeal you are requesting on the outside of the envelope ("HEARING REQUEST", "RECONSIDERATION REQUEST", or "ECAB REVIEW").

**NOTE** - If you have a substantially limiting physical or mental impairment, Federal disability nondiscrimination law gives you the right to receive help from DFEC in the form of communication assistance, accommodation and modification to aid you in the FECA claims process. For example, we will provide you with copies of documents in alternate formats, communication services such as sign language interpretation, or other kinds of adjustments or changes to account for the limitations of your disability. Please contact the appropriate office below to ask about this assistance.

**1. HEARING:** If your injury occurred on or after July 4, 1966, and you have not requested reconsideration, as described below, you may request a Hearing. To protect your right to a hearing, any request for a hearing must be made before any request for reconsideration by the District Office (5 U.S.C. 8124(b)(1)). **Any hearing request must also be made in writing, within 30 calendar days after the date of this decision, as determined by the postmark of your letter.** (20 C.F.R. 10.616) There are two forms of hearings, both conducted by a hearing representative. You may request either one or the other, but not both.

a. **Oral Hearing.** An informal oral hearing is conducted at a location near your home or by teleconference/videoconference. You may present oral testimony and written evidence in support of your claim. Any person authorized by you in writing may represent you at an oral hearing. At the discretion of the hearing representative, an oral hearing may be conducted by teleconference or videoconference.

b. **Review of the Written Record.** You may submit additional written evidence, which must be sent with your request for review. You will not be asked to attend or give oral testimony.

**2. RECONSIDERATION:** If you have additional evidence or legal argument that you believe will establish your claim, you may request, in writing, that OWCP reconsider this decision. **The request must be signed, dated and received within one calendar year of the date of the decision.** It must clearly state the grounds upon which reconsideration is being requested, and be accompanied by relevant evidence not previously submitted, such as medical reports, sworn statements, or a legal argument not previously made, which apply directly to the issue addressed by this decision. A person other than those who made this decision will reconsider your case. (20 C.F.R. 10.605-610)

**3. REVIEW BY THE EMPLOYEES' COMPENSATION APPEALS BOARD (ECAB):** If you believe that all available evidence that would establish your claim has already been submitted, you have the right to request review by the ECAB (20 C.F.R. 10.625). The ECAB will review only the evidence received prior to the date of this decision (20 C.F.R. Part 501). **Request for review by the ECAB must be made within 180 days from the date of this decision.** More information on the new Rules is available at [www.dol.gov/ecab](http://www.dol.gov/ecab).
