Date of Injury:  
Employee:

Dear Ms

This is to notify you that your claim for an occupational disease has been accepted for the following condition(s):

<u>Diagnosed condition(s)</u>	<u>ICD-9 code(s)</u>
SPRAIN OF SHOULDER, RIGHT (RECURRENT ROTATOR CUFF STRAIN)	8409
BICIPITAL TENOSYNOVITIS, RIGHT	72612

**Please advise all medical providers who are treating you for this injury of the accepted ICD-9 code(s). Accurate coding facilitates timely bill processing.**

If the current accepted condition(s) need to be revised or additional complications related to the current accepted condition(s) need to be added, your physician should explain in writing, with medical rationale, the relationship between any additional condition and the work injury or the current accepted condition(s) noted above

If you lose time from work due to your work related condition, you may claim compensation using Form CA-7.

The evidence in your case file at this time indicates that you may not have returned to work in a full-time capacity. OWCP is not a retirement program and our primary goals are your medical recovery and return to full duty employment. We strive for an active team approach where OWCP, the employing agency, and the medical providers work collaboratively with you to facilitate medical recovery and sustainable return to work. Your case is currently being evaluated to determine what steps we can take to help you achieve these goals

Please refer to the attachment entitled "Now That Your Claim Has Been Accepted" for important information pertaining to how to contact us, medical authorizations, payment of bills, and returning to work.

Sincerely,

*Katherine A. Bradford*

**NOTICE TO EMPLOYING AGENCY:**

If Form CA-7 claiming compensation for wage loss is filed, you are reminded that 20 C.F.R. §10.111(c) requires the submission of a CA-7 within 5 working days. Please fully complete any form submitted and provide contact information to avoid delay of payment.

## NOW THAT YOUR CLAIM HAS BEEN ACCEPTED

### CONTACT INFORMATION

**General Information** - Information can be obtained on the Department of Labor website at <http://www.dol.gov> under the Office of Workers' Compensation, Division of Federal Employees' Compensation. You may directly access the Division of Federal Employees' Compensation portion of the web site at <http://www.dol.gov/owcp/dfec/index.htm>.

**Claimant Query System (CQS)** – You can view your case and compensation claim status, billing updates (including reimbursements), coverage limitations, and other information online at <http://owcp.dol.acs-inc.com>

**Medical Authorizations and Billing Inquiries** – All medical providers should contact our medical authorization and bill processing contractor (ACS) for all authorizations and billing questions. Automated information is available 24 hours per day at 1-866-335-8319 or online at <http://owcp.dol.acs-inc.com>. The medical authorization fax line is 1-800-215-4901. If you, your doctor, or other medical providers require direct contact with a customer service representative, you may call 1-850-558-1818, Monday – Friday, 8am – 8pm EST (this is a toll call).

**Compensation Payments** - Automated information regarding compensation payments is available 24 hours per day by phoning 1-866-OWCP IVR (1-866-692-7487)

**Questions about your claim** - If you have any questions regarding your FECA claim, you may contact the Office at the phone number and address listed on the front page of this letter. If you write to us, please put your case file number on each page.

**Forms** - Most of the billing and claim forms described below are available at: <http://www.dol.gov/owcp/dfec/regs/compliance/forms.htm>.

**Change of Address** - If your contact information changes (i.e. mailing address or telephone number), notify us promptly in writing over your signature. We cannot accept these changes over the telephone.

**Submission of Information** - You can submit requested information or other documentation pertaining to your FECA case to the address at the top of this letter, OR you can electronically upload documents into your case using the Employees' Compensation Operations and Management Portal (ECOMP). You can access ECOMP from any internet browser at: <https://www.ecomp.dol.gov/>. When you access the website, choose the "Upload Document" option. You will be asked to provide your case number, last name, date of birth and date of injury to upload a document. ECOMP will then provide you with a Tracking Number so that you can verify when OWCP has received your document. For more detailed information about this document submission feature, visit the ECOMP website and click "Help."

**Attorneys and Authorized Representatives** - You do not need the services of an attorney or representative to claim benefits under the FECA. However, you may obtain such services if you wish to do so, at your own expense. Before we can release information to, or discuss your case with, any representative, including a family member, we will need a statement signed by you, stating that you designated someone to represent you in your OWCP claim. The contact information for that party is also required.

## MEDICAL AUTHORIZATIONS AND EXPENSES

**General Information** - This acceptance letter (first page) describes the medical condition(s) OWCP accepts as work-related, and only treatment for those conditions should be billed to the Office. Your case file number must appear on all bills.

**Authorizations** - OWCP must approve in advance any surgery or procedure other than emergency surgery (that is, a procedure which must be performed right away to preserve life or the function of an organ or body part). You (or your medical provider) should contact OWCP for authorization at least 30 days before the intended date of the procedure. We will advise you of the information needed to determine whether OWCP can authorize the requested procedure.

**Fee Schedule** - You are not responsible for charges over the maximum allowed in the OWCP fee schedule. Our regulations provide that by submitting a bill and/or accepting payment, the provider signifies that the service for which reimbursement is sought was performed as described and was necessary. In addition, the provider thereby agrees to comply with all regulations concerning the rendering of treatment and/or the process for seeking reimbursement for medical services, including the limitation imposed on the amount to be paid for such services. If a provider's bill is reduced by OWCP in accordance with its fee schedule, the provider is not allowed to charge you for the remainder of the bill. [20 C F R §10 801 (d)]

**Time Limitations** - Bills and travel vouchers must be received within the calendar year following the year in which the medical service was rendered or the claim was accepted, whichever occurs later.

**Providers** - All medical providers must be enrolled with our Central Bill processing contractor (ACS) so that services can be authorized and medical bills can be processed. You may use the Provider Search function at <http://owcp.dol.acs-inc.com> to find medical providers who accept FECA cases. Note, however, that this tool only lists those physicians who opted to be included in the look-up, which means it may not capture every physician in a particular area who will accept FECA cases.

**Physicians and Other Medical Providers (Except for Hospitals and Pharmacies)** - Bills for your accepted condition must be submitted on the standard American Medical Association (AMA) billing form HCFA-1500, also known as OWCP-1500, to the address noted in the letterhead. Providers must itemize services for each date separately; use AMA (not state) CPT codes to describe the services performed; and provide their tax identification number (EIN) and ACS provider number. The provider must sign the form (a signature stamp may also be used).

**Hospitals** - These bills must be submitted on Form UB-04, also known as OWCP-04. These bills must be fully itemized, and the admission and discharge medical summaries should also be sent.

**Pharmacies** - These bills should be submitted electronically by your pharmacy via Point of Sale. If this is not available, bills must be submitted on the Universal Claim Form or equivalent. The pharmacy should include the following items: the case file number, the nine-digit tax ID number, the NDC number, the prescription number, the quantity of medication prescribed, the name of the prescribing physician, and the date of purchase. Pharmacies must complete the following fields: 403-D3 (Fill Number), 405-D5 (Days Supply), 408-D8 (Dispense as Written), 415-DF (Number of Refills Authorized) and 442-E7 (Quantity Dispensed). Your physician's clinical notes or reports should show that the medications prescribed were needed to treat your work-related injury. Pharmacies can obtain decisions on coverage of medications by calling 1-866-335-8319.

**Medication (Schedule II Narcotics)** - Please note that there is a limitation as to the day's supply of any Schedule II narcotic medication. The "days supply" limitation of Schedule II is limited to only a 30-day supply per each prescription fill. You will be limited to only four (4) refills within a 90-day period; claimants with an accepted cancer condition will not be affected by this limitation on refills

**Chiropractors** - We will only pay for chiropractic treatment consisting of manual manipulation of the spine to correct an accepted work-related spinal subluxation demonstrated by x-ray, or if a medical doctor has prescribed physical therapy to be administered by a chiropractor.

**Reimbursements** - If you have paid authorized medical expenses, you may request reimbursement by attaching Form CA-915, or a similar form, on the same required billing forms (such as HCFA-1500 or UB-04) specified above. In all cases, the medical provider's tax identification number (EIN) and proof of payment (cancelled check or receipt) must be provided. If electronic banking information is on file then your reimbursement will be paid via EFT. If a health benefits carrier has paid medical bills for your accepted condition, the carrier may submit a completed NALC-200 form with appropriate supporting documentation (HCFA-1500 or UB-04) to OWCP for consideration. Reimbursements are limited to the fee schedule amount.

**Reimbursement for Medical-Related Travel** - Travel expenses should be submitted on form OWCP-957, Medical Travel Refund Request. Travel expenses that exceed \$75 must be submitted with an accompanying receipt to support the charges claimed and will be subjected to prior approval. As with reimbursement for medical expenses, these claims will be paid via EFT if there is electronic banking information on file for you.

## COMPENSATION PAYMENTS

**Claims for Compensation** - Any claim for lost wages must be submitted through your employing agency on Form CA-7. Your employing agency will complete its portion of this form and forward it to our Office. In cases of intermittent wage loss, Form CA-7a is also needed. Medical documentation substantiating that the lost time is due to the accepted work-related condition(s) is required prior to payment. You must report any employment or employment activities on this form.

Note - On December 22nd, 2010, the Treasury Department issued a regulation that requires that all Federal payments be made electronically. Specifically, the regulation requires that all individuals receiving recurring Federal government payments must receive payments by Electronic Fund Transfer (EFT). Therefore, if you submit a form CA-7, you must submit Form SF-1199A (Direct Deposit Sign-Up Form) with your claim. If you have any questions pertaining to this requirement, please consult Treasury's web site at:  
<http://www.fms.treas.gov/eft>

**Claims for Leave Buy-Back** - Reinstatement of leave is subject to the approval of your employing agency. Prior to using your personal leave to cover injury-related absences from work, you are urged to review the instructions for Form CA-7b. To claim a leave buy-back, you must file Form CA-7b through your employing agency, along with Form CA-7 and Form CA-7a.

**Schedule Award** - The FECA provides for the payment of schedule awards when the injury causes a permanent impairment involving total or partial loss, or loss of use, of certain organs or members of the body. The spine and brain are not included unless the condition causes permanent impairment to the extremities. All impairment ratings are evaluated in accordance with the Sixth Edition of the American Medical Association (AMA) Guides to the Evaluation of Permanent Impairment. A schedule award may be claimed using Form CA-7 after maximum medical improvement has been reached.

**When Your Injury is Caused by a Third Party** – If your injury was caused by a third party, you may be required to seek damages from the third party, and you must reimburse the government from your recovery in accordance with the statutory formula. See 5 U.S.C. 8131, 8132; 20 CFR §10.705-719.

**Penalty** - Any person who knowingly makes any false statement, misrepresentation, concealment of fact, or any other act of fraud to obtain compensation, or who knowingly accepts compensation to which he or she is not entitled, is subject to criminal prosecution.

## **RETURNING TO WORK**

### **Responsibilities –**

- You are expected to return to work (including light duty or part-time work, if available) as soon as you are able, and it is your responsibility to advise your agency once your physician finds you capable of returning to work in some capacity. Full compensation is payable only while you are unable to perform the duties of your regular job because of your accepted employment-related condition.
- Once you return to work, or obtain new employment, notify this office immediately.
- If you receive a compensation check which includes payment for a period you have worked, return it to us immediately to prevent an overpayment of compensation. Checks may be returned to the following address: US Department of Treasury, 13000 Townsend Road, Philadelphia, PA 19154.
- If you receive compensation via Electronic Funds Transfer (EFT), a notification of the date and amount of payment will appear on the statement from your financial institution. You are expected to monitor your EFT deposits carefully, at least every 2 weeks. If you have worked for any portion of the period for which a deposit was made, advise OWCP immediately so that the overpayment can be collected.

**Job Offers** - You are legally obligated to accept work which is within your medical restrictions. OWCP may terminate your benefits if you refuse suitable employment without good cause.

**Nurse Intervention and Vocational Rehabilitation** – OWCP may assign a registered nurse or a vocational rehabilitation counselor to contact you to facilitate your recovery and return to work. Under the FECA, you are required to cooperate with vocational rehabilitation efforts.

**4. Employee Status.** The policies and procedures for determining whether the injured or deceased individual was a civil employee of the United States within the meaning of 5 U.S.C. 8101(1) are found in FECA PM 2-0802. The eligibility of certain groups of these civil employees to receive COP is determined by statute and regulation.

a. Statutory Exclusions. Persons appointed to serve on the office staff of a former President are considered to be Federal employees, but they are specifically excluded from entitlement to COP. Persons listed in subsections "i" through "iv" of 5 U.S.C. 8101(1)(E) are expressly excluded from COP because they are not employees within the meaning of the FECA.

b. Separate Legislation. Persons whose entitlement to FECA benefits depends upon separate legislation are also excluded from COP. In many of these cases, entitlement to compensation begins from the date such persons are discharged from the programs in which they are enrolled, such as the Peace Corps, Job Corps, and Youth Conservation Corps. In other instances, the employment status and/or pay rate is too uncertain to make specific determinations (e.g., Work Study students, Civil Air Patrol Volunteers, and non-Federal law enforcement officers). See 20 C.F.R. §10.200(d).

c. Individuals Serving Without Pay or for Nominal Pay. Persons whose employment status for compensation purposes is determined under 5 U.S.C. 8101(1)(B) (e.g., consultants and volunteers) work without pay or for nominal pay, and they are generally not carried in a regular, continuing-pay status. While these individuals render personal service to the United States similar to civil officers and employees, they are not entitled to COP, per 20 C.F.R. §10.200(d).

d. Non-Citizens and Non-Residents. Persons who are not citizens or residents of the United States or Canada, and who are injured while working outside the continental United States or Canada, are covered under the provisions of 5 U.S.C. 8137 and are excluded from COP, per 20 C.F.R. §10.220(b).

Panamanian nationals employed by any agency of the U. S. government, including the Panama Canal Commission, before October 1, 1979 are entitled to COP. Those hired on or after that date, however, are not entitled to COP.

e. Jurors. Any person serving as a petit or grand juror subject to Chapter 121 of Title 28 is entitled to coverage under the FECA, whether or not he/she is also a Federal employee. In order to be entitled to COP, however, the juror must be a Federal employee, per 20 C.F.R. §10.200(d). If the juror is not a Federal employee, he/she is not entitled to COP.

f. Temporary Employees. Persons in this category are civil employees of the Federal government and are included under the provisions of 5 U.S.C. 8118. The fact that their employment would not have continued is not considered sufficient reason to exclude them from coverage, subject to the conditions noted in paragraph 10b below. Like any other employee, however, a temporary employee who first reports a traumatic injury after the employment is terminated is not entitled to COP, per 20 C.F.R. §10.220(d).
