Paul,

It is nice to see how honest you are being about refunding a portion of my fees. Based on my experience with another attorney I'm embarrassed to say that I really thought I'd have to fight for an equitable refund. Looking back I think you guys have done an outstanding job. The expertise you provided was invaluable, it guided me through the process and gave me the necessary confidence to move forward with the appeal. I sincerely appreciate the integrity you've displayed as an attorney and wanted you to know that it restored my faith in the legal system. You are definitely a man of character and as a disabled veteran that means a great deal to me.

Merry Christmas and God Bless!
