Dear Mr. Moore:

Thank you for your letters regarding the above-captioned matter. Pursuant to the FECA Procedure Manual Part 2, Claims, Section 2-100 FECA Third Part Subrogation Guidelines, "The percentage must be considered reasonable by OWCP or EEWC. Generally, any fee in excess of 40% would be deemed inappropriate and such deduction would be disallowed." As the attorney's fees for services in the above-captioned matter were not in excess of 40%, we contend that the fees charged should be deemed reasonable.

As there appears to be no other objection to the Statement of Recovery, I am returning to you our original check in the amount of \$12,432.24 in satisfaction of the refund to the U.S. Department of Labor. I have enclosed the section of the FECA PM-2 that pertains to this issue for your review.

I look forward to your response; and the closure of this matter.

With kindest regards,

**FELSER LAW FIRM, P.C.**

Dear Mr.            and Mr.            :

Thank you for your prompt response, and fulfillment of the various requirements for Mr            's case. We have reviewed the EN-1108 you provided and noticed that there was a discrepancy that has altered the amount to be refunded.

The government allowance for attorney's fees retained by the claimant in line 15 on the long form statement of recovery can only equal 33.3% or one-third of line 14. This leaves the balance on line 16 to be \$13,432.24.

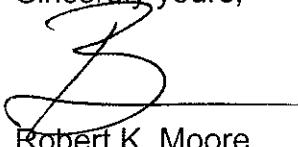

We are returning the check that was sent to us and request that you submit a different check for the amount of \$13,432.24. Please send the check to my attention at the following address:

Dear Attorney Felser;

In reference to your letter dated 10/22/09 (See Attached) wherein you indicate that your previous requests for updated documentation in the above captioned matter has not been responded to is in error. Based on the attached copy of a letter written and signed on September 8, 2009 by the above referenced Postal employee, \_\_\_\_\_, Attorney \_\_\_\_\_ is his representative and all documents have been forwarded to him

Regardless of any other issues regarding disbursement of fees, the United States Postal Service must receive \$19,720.00 and a check in this amount should be made payable to the Office of Workers Compensation and mailed to our office.

If you have any questions, or need further information, please contact me at (904) 359-2849.
