

LETTER OF RECOMMENDATION

RECEIVED APR 17 2008

In 1999 I had an on duty accident which resulted in a ruptured disc in my neck. ~~I received~~ surgery was performed and three discs were fused to correct the problem. After 6 months recuperation time, I returned to work as a city letter carrier in Ochs Ky. At first I was able to perform my duties OK but as time went by my condition worsened.

Finally ⁱⁿ 2004 due to constant pain, discomfort and the inability to perform my duties, I left my position as a city letter carrier.

Subsequently I contacted Paul Felsner of Felsner Law Firm, Savannah, GA to represent me in obtaining workers compensation benefits. My CA-7 and medical documentation was submitted. Later I received a letter of denial. Mr Felsner then appealed the decision. Upon receiving my appeal a judge was assigned to hear my case in Atlanta GA.

MR FELDER REPRESENTED ME AT
THE HEARING. TRULY I WAS LOST AND
CONFUSED AS ALL THE QUESTIONING AND
I AM CERTAIN HAD IT NOT BEEN FOR
HIS EXPERTISE, ALL WOULD HAVE BEEN LOST.
LATER DUE TO THE JUDGE'S DECISION,
I WAS APPROVED BASED ON AGGRAVATION
TO A PRE-EXISTING CONDITION.

I AM NOW RECEIVING MY OWCP
BENEFITS.

IF YOU NEED REPRESENTATION INVOLVING
FEDERAL OWCP, I WOULD RECOMMEND
MR. PAUL FELDER.
