

Mr. Paul Felber, and his Federal
Workmen's Compensation Claims
office personnel, have been
very helpful in the resolution
of my workmen's compensation
injury claim. I myself tried,
tried on time to receive the
acceptance of evidence for the
approval of the claim only
for me to receive multiple
disapprovals of my evidence.
Then I asked for Mr. Felber's
help and my disappointing
days for resolution were fin-
ally, and gratefully resolved.
My Federal Workmen's Com-
pensation Injury Claim was
finally accepted ~~on~~ by the
D.O.L. on January 23, 2013

Sincerely,
Steven B. Lee
