As a reminder, OWCP must approve in advance any surgery or procedure other than emergency surgery (that is, a procedure which must be performed right away to preserve life or the function of an organ or body part). You (or your medical provider) should contact OWCP for authorization at least 30 days before the intended date of the procedure. We will advise you of the information needed to determine whether OWCP can authorize the requested procedure. Medical providers should contact our medical authorization and bill processing contractor (ACS) for all authorizations and billing

If you have a disability (a substantially limiting physical or mental impairment), please contact our office/claims examiner for information about the kinds of help available, such as communication assistance (alternate formats or sign language interpretation), accommodations and modifications.
