

Dear Mr. Felser,

Just wanted to write and tell you, Thank you so very much for all the hard work you and your staff put in to help me with my Federal Workmen's Compensation case. There are a very Lawyers out there that will take on Federal Workmen's Compensation cases.

My wife worked so hard while I was the sickest to find the right doctors to treat me for my sickness. After they had discovered my sickness was from all the exposer to the environment while working for the Government In Afghanistan, we started the paperwork for Federal Workmen's Compensation.

After a long struggle with the government we decided it was time to get some help. This is where you came into play. I have to say that through many phone calls and correspondence with you personally and your great staff, we began to see positive result start to happen. The guidance you took us through, and the many hours that was spent by the Felser Law Firm my Federal Workmen's Compensation case was ruled in my favor.

I just want to tell people that there is help out there. It takes a lot of time and patients and perseverance, but the end results will be worth it. I would recommend to anyone that is struggling with their Federal Workmen's Compensation case to contact the Felser Law Firm and experience pleasant and caring Law Firm as I have.

Thank You again for all your help and may God Bless Felser Law Firm in helping others as I have been helped.

Best Regards,

Ralph and Joann Swanger
