### NOTICE OF DECISION

#### DE NOVO

Dear

This is in further reference to your workers' compensation claim received on 11/01/2018, claiming wage loss compensation for the period from 08/07/2018 through Continuing. The office denied this claim by decision dated 01/22/2019. In disagreeing with the 01/22/2019 decision, you appealed the denial with the Branch of Hearings and Review.

In a decision dated 04/23/2019, the Branch instructed the office to combine all three of your cases for careful consideration of entitlement of the disability periods. The Branch indicated that you should be notified of the correct case file to submit claims for compensation for overlapping disability periods beginning 03/02/2018 and advised of the evidence required to establish any period of disability that is not payable.

By letter dated 05/13/2019, our office notified you of the status of your cases and compensation claim. In accordance with the Branch's decision on 04/23/2019, we combined all three of your cases. We notified you that the period claimed beginning 03/02/2018 through continuing is compensable under case number based on the Branch's decision dated 03/18/2019 and decision dated 03/19/2019, acceptance for left knee sprain for date of injury 03/02/2018.

The evidence of file under case establishes entitlement to compensation for the dates claimed. Your compensation for the period claimed beginning 03/02/2018 is processed and paid, you should expect payment within 1-2 weeks. You must file a CA-7, Claim for Compensation for any additional wage loss.

If you have any further questions or concerns, do not hesitate to contact us at 904-366-0100.

*If you have a disability and are in need of communication assistance (such as alternate formats or sign language interpretation), accommodation(s) and/or modification(s), please contact OWCP.*
