Please advise all medical providers who are treating you for this injury of the newly accepted condition(s) with ICD code(s). Accurate coding facilitates timely bill processing.

If the current accepted condition(s) need to be revised or additional complications related to the current accepted condition(s) need to be added, your physician should explain in writing, with medical rationale, the relationship between any additional condition and the work injury or the current accepted condition(s) noted above.

As a reminder, OWCP must approve in advance any surgery or procedure other than emergency surgery (that is, a procedure which must be performed right away to preserve life or the function of an organ or body part). You (or your medical provider) should contact OWCP for authorization at least 30 days before the intended date of the procedure. We will advise you of the information needed to determine whether OWCP can authorize the requested procedure. Medical providers should contact our medical authorization and bill processing contractor for all authorizations and billing questions. Automated information is available 24 hours per day at 1-866-335-8319 or online at

If you have a disability and are in need of communication assistance (such as alternate formats or sign language interpretation), accommodation(s) and/or modification(s), please contact OWCP.
