9. Your Continuing Payment each Four Weeks: \$0

Payment of your award ends when you have been paid for the last day shown in item 3 above.

Section 8107 of the FECA and its implementing regulations set forth the number of weeks of compensation to be paid for the permanent loss or loss of use of specified members, functions and organs of the body known as permanent impairment. 20 C.F.R. 10.404; see also 20 C.F.R. Part 10. The commencement period of the schedule award is usually the date of maximum medical improvement, the date that the physical condition of the injured member has stabilized and is not expected to improve further.

The FECA, however, does not in most instances specify the manner by which the percentage loss of a member, function or organ shall be determined. To ensure consistent results and equal justice under the law, good administrative practice requires the use of uniform standards applicable to all claimants. The implementing regulations have adopted the American Medical Association, *Guides to the Evaluation of Permanent Impairment*, as the appropriate standard for evaluating schedule losses. Currently, schedule awards are calculated using the Sixth Edition of the AMA *Guides*.

If you have a disability (a substantially limiting physical or mental impairment), please contact our office/claims examiner for information about the kinds of help available, such as communication assistance (alternate formats or sign language interpretation), accommodations and modifications.

In a report dated _____, your treating physician, Dr. _____ advised he does not use 6th edition AMA Guides. You attended a second opinion exam on _____ with Dr. _____ who gave a 13% impairment rating to the left arm and 13% impairment rating to the right arm. Your case was forwarded to a District Medical Advisor (DMA) for Review. On _____ the DMA advised Dr. _____ based the impairment rating on the future and did not provide an appropriate impairment rating based on the 6th edition AMA Guides. You attended a referee exam as there was a conflict in opinion between second opinion examiner and the DMA. The referee examiner gave an impairment rating of 12% to the left arm and 12% to the right arm based on 6th edition AMA Guides. The percentage of permanent impairment noted above was based on the medical findings and report of referee physician Dr. _____ M.D. dated _____. A copy of this report is provided for your reference.

If further payments are due, they will be made every four weeks until the expiration of the award.
2. **LUMP SUM PAYMENTS** - If you are currently working, or if you are receiving retirement benefits from the Office of Personnel Management, you may be entitled to a "lump-sum" payment of your schedule award. Please contact the District Office at the address listed on the first page of this letter and specifically request information concerning this option.
3. **CHANGE OF ADDRESS** - Notify this office immediately of any change of address either for correspondence or for direct deposit. 4. **CHANGE IN STATUS OF DEPENDENTS** - If your award is paid at the augmented rate of 3/4 because you have one or more dependents, you are required to provide written notification immediately of any change in status of your dependents, to the address on the first page of this letter. The notice must be signed by you and include your file number, the name of the dependent whose status changed, the effective date of the change, and the nature of the change in status. If you originally claimed only one dependent, and there is a change in the status of your sole dependent, do not cash any checks you receive after the change in status of that dependent. Please note that compensation for disability cannot be paid for any period during which you receive retirement benefits from OPM.
